  - Flu shots available for Parent/Guardian for \$30 (cash, check) or billable to Forward card only

Scare that Flu Away! will be held on Tuesday, October 3, 2017 at Hale High School in the cafeteria from 4:00 – 7:00 PM.

The CDC recommends that everyone 6 months and older get vaccinated against the flu yearly. Take advantage of this special flu clinic to get your school-age child vaccinated before peak flu season.

Use these tricks to make sure the flu virus is too scared to hang around your house!

1. Wash hands frequently with warm water and soap for 20 seconds (the time it takes to sing the “Happy Birthday” song twice).
2. Cough into elbows, not hands where germs are more likely to be spread.
3. Eat right, exercise, and get plenty of sleep to help boost your body’s ability to fight off colds and the flu.

For more information call the West Allis Health Department 414-302-8600
