Dear Parent/Guardian:

Wisconsin Students will be participating in the Forward Exam during the March 18th-May 2nd testing window.

The Forward Exam tests students in the areas of Math, Reading, Writing, Social Studies, and Science. One or more subtests may be administered daily during the identified time frame and it is very important that your son or daughter be in school during this time. Students not in school on the scheduled testing days will be scheduled for a make-up test prior to the close of the testing window.

The Forward Exam measures the knowledge and skills your child(ren) should have acquired by the time they reach each grade level. Their performance on the assessment will not affect any of their current grades. Please encourage your son or daughter to take the test seriously and do the best they can. The results of these tests will be used to help school staff make determinations or placement in classes to best support your child(ren).

If you have any questions, please contact me at 604-3411.

Thank you,
